CLL Laboratory Update ★ July 2007 Vol. 2

Subject: Renewal of EIC Approval of CLL-Indore's testing facility !!!

Valued Customer,

It is with great pleasure that we announce that Choksi Laboratories Limited (CLL) Indore, has now been granted recognition once again by Export Inspection Council.

The following new product has been added to our existing scope:

- Water for food processing as per IS: 4251

The following products are already under existing scope of EIC approval:

- | | |
|---------------------------|-----------------------------|
| (i) Milk & Milk Products | (v) Black-Pepper |
| (ii) Honey | (vi) Rice |
| (iii) Fruits & Vegetables | (vii) Water as per 98/83/EC |
| (iv) Sea-food | |

CLL is also accredited on ISO/IEC 17025 quality management systems through NABL (National Accreditation Board for Testing & Calibration Laboratories, DST – GoI).

If you have a requirement for testing of food & beverages samples in our ISO/IEC 17025 accredited, EIC approved facility, please write to us at info@choksilab.com.

Thank you & Best Regards
Vyangesh Choksi
Director
